It's all about
Character

CFR Performance is a major automotive supplier and distributor of car and truck accessories. We are part of a family owned and operated tradition of automotive excellency, which dates back to the late 1970's. Since then we have put together some new and innovative products to provide for our customers. At CFR, we use our long tradition of wisdom in automotive business and customer satisfaction to provide you with superior quality and cost effective products.

Over the years, our product line has grown to more than 3000 part numbers and is constantly growing. We are entirely customer focused, shipping most stock orders within twenty-four hours. Our mission at CFR Performance is to provide the highest innovative quality performance products to our customers at competitive pricing without lowering our company standards.

Black-tie

Electro Deposit Primer

EDP, is an electronically applied process, the electric current secures the paint solution to the metal and provides coverage to the entire part. EDP Provides a rust resistant coating and features OEM style satin black finish and is the perfect base for powder coating or custom painting.

EDP is compliant with HAPS (Hazardous Air Pollutants), VOCS (Volatile Organic Compounds), OSHA, ROHS and EPA.

EMC RADIATORS

This is the most extreme modular system available for any application. Our engineers have conducted extensive research to determine this is the optimum combination of size and volume for maximum cooling efficiency in extreme applications. These advanced cooling modules also include 7 separate 3/8-24" threaded bungs for attaching optional mounting bracket kits and hardware allowing the unique option of using this radiator as a traditional top and bottom tank design or the modern cross-flow design.

7-3/8-24" Threaded Bungs

15 Fins per inch

850 HP Rated

Part #	Size
HZ-40010-X2	22" x 19"
HZ-40011-X2	24" x 19"
HZ-40012-X2	26" x 19"
HZ-40016-X2	31" x 19"

1250 HP Rated

Part #	Size
HZ-40010-X3	22" x 19"
HZ-40011-X3	24" x 19"
HZ-40012-X3	26" x 19"
HZ-40016-X3	31" x 19"

The EMC=X2 has an oversized 2 1/4" thick cooling core with two rows of 1" high volume and high flow heat transfer tubes with an optimized 15 fins per inch of cooling power.

The EMC=X3 has a huge 3 1/2" thick cooling core with three rows of 7/8" high volume and high flow heat transfer tubes with an optimized 15 fins per inch of cooling power

7 separate AN-20 bungs allowing the ultimate in universal configuration. We have adapter fittings for the AN-20 bungs to allow the following attachments:

Part #	Description
HZ-40030-KIT	20AN Male to 1.25" Radiator Hose Fitting
HZ-40031-KIT	20AN Male to 1.75" Radiator Hose Fitting
HZ-40032-KIT	20AN Male to 1.50" Radiator Hose Fitting

Payment Terms

CFR Performance offers the following term options: C.O.D. Credit Card, or Net 30 depends on customer's credit history.

Return Policy

ALL returns must be accompanied by a **Return Good Authorization Number** (RGA) in order for them to be processed. The return form must also be filled out and sent along with your return.

Products must be received within 14 calendar days of the issuance of the RGA. All good merchandise returns are subjected to a 15% Restocking Fee and can only be accepted under brand-new and un-installed condition.

Freight

All orders are shipped freight collect.

Shortages/Claims

Upon receipt of your product, please inspect the packaging to ensure that it has not been damaged. If the packaging or product has been damaged, please contact the shipping carrier immediately to report the damage. Any claims or shortages must be reported to CFR Performance within 7 days after receipt of merchandise.

12 Months Limited Warranty

CFR Performance warrants that all of its products shall be free of defects in materials and/or workmanship. All CFR Performance products come with 12 months limited warranty for the original purchaser accompanied by the original sales receipt. This warranty does not cover any defects caused by improper installation or damage resulting from collision, misuse, negligence or unauthorized alteration.

Important Notice

CFR Performance will not be responsible for any damage caused to property or person, directly or indirectly related to the use of any CFR Performance products.

**Products produced by CFR Performance have been designed for off road competition use only.*
