Overhead "Dual Panel" Window Storage

5

TRAILVIEW SOFT TOP®

The Rampage TrailView and Frameless Trail Tops install over the original equipment factory roll bar for a snug fit without the need for additional bows or support hardware. This unique design allows for larger side windows and improved visibility with removable side and rear windows that quickly convert the soft top into an open Safari top. Windows use heavy duty molded tooth zippers and are easily replaced or removed and stored in a special separation panel between the ceiling and roof top which is concealed and protects the windows from scratches or puncture. The fastback style offers improved aerodynamics and a quieter ride than factory bow style tops.

- The TrailView Soft Top is two tops in one: A full top and an open-air safari top that can be opened from inside the vehicle. Plus, since it's frameless, it allows for larger windows and improved visibility - no additional bows or support hardware required
- The fold-back feature allows top to open with one hand
- The TrailView Soft Top has removable side and rear tinted windows with self-correcting zippers for great looks and functionality
- Flat overhead window storage panel so Jeepers will always have their windows with them and be protected from scratches, punctures, and the elements
- The top is constructed from Rampage Products' durable 30 oz premium sail cloth

TRAILVIEW TONNEAU TOP®

Own the trail with this exclusive truck-look top that combines the easy fold-back features of a TrailView Soft Top with the gear-protecting coverage of a durable snug-fit tonneau cover.

- TrailView tonneau top can be converted to open safari extended brief for an open air feel
- Rain-tight rear curtain includes oversize rear window and two side windows for better visibility
- Rear window can zip down for easy access to the rear
- Tonneau Cover zips into rear curtain and can be easily removed
- 30 oz. premium sailcloth creates a quieter ride
- Tinted windows
- Fold-back top, rear curtain and tonneau cover can be mounted to work individually
- Fits factory full-steel doors and OE upper windows
- Available for a 2007-2018 Jeep JK and JKU
- Backed by a three year limited warranty

ZIP OUT REAR WINDOWS, STORE IN OVERHEAD BAG AND ENJOY THE OPEN AIR!

PORTABLE WIFI BACKUP CAMERA

Wide angle lens and HiDef picture quality means you get a high quality image on your viewing device

Camera can be used anywhere your view is blocked when parking or to keep track of your valuables while driving.

- Portable camera creates WiFi hotspot and uses your Android or iOS smartphone as the monitor
- Camera's magnetic base can be positioned anywhere there's metal
- Great for backing up with a trailer, assisting with rock crawling, or parking in tight spots
- Internal lithium battery lasts 8 hours per charge
- Camera supports video and screen shots
- Includes stand for phone on dashboard

TRAIL CAN - STORAGE BOX OR UTILITY TOOL BOX (PATENT PENDING)

NEW TRAIL CAN COLORS

Rampage™ adds two new colors to their popular Trail Cans. The clever toolbox disguised as a traditional 5 gallon Gerry® Can is now available in olive green, black or original red. The Trail Can utility tool box provides additional storage for tools and other utility items in a durable, lockable steel container. The hinged top lid and full front hinged-door allow for easy access and full-function storage drawers.

- Heavy duty steel construction with durable powder coat finish
- Lift out tool/tote tray, two removable drawers and screw driver storage slots
- Locking lid to secure contents
- Includes non-slip, soft-grip liners
- Fits 5 gallon Gerry® can mounts
- Dimensions 18" H x 13" W x 6" D

BREATHABLE 4 LAYER MATERIAL

- Breathable covers repel water, but won't trap moisture.
- Protects your vehicle's finish from sun, dirt, droppings, and other airborne pollutants
- 4-layer non-woven polypropylene construction blocks harmful paint contaminants
- Water-resistant diamond-bond fabric protects vehicle finish from the elements while maintaining breathability
- Soft, durable backing pampers paint finish
- Features double-stitched elastic hem in front and rear to secure under bumper
- Side grommets for tie downs or cable lock
- Includes lock, cable, and storage bag

PROTECT YOUR INTERIOR WITH TOP REMOVED

- Constructed of durable, water proof material; protects vehicle interior from the elements
- Compact, lightweight Cab Cover slips over the windshield frame and roll bar for a snug fit
- Soft top and frame must be lowered for proper fit
- Extended door covers to protect exterior when doors are removed
- Repels water to protect exterior
