

ROTHCO 2018 CATALOG

GENUINE MILITARY, OUTDOOR & PUBLIC SAFETY GEAR

IMPORTANT INFORMATION REGARDING CALIFORNIA PROP 65

Items marked with an asterisk (*) in Rothco's 2018 Catalog fall under California's Prop 65 Warning.

This important page pertains to a law called the California Safe Drinking Water and Toxic Enforcement Act of 1986, known as "Proposition 65." **Proposition 65 is a far-reaching law that applies to all companies that operate and sell in California and/or ship products to California residents.** Prop 65 requires that a warning must be posted on any product that contains or may contain any of more than 800 elements that the California Air Resources Board considers harmful. The warning does not mean that these products will necessarily cause cancer or reproductive harm. Moreover, a Prop 65 warning does not mean a product is in violation of any product-safety standards or requirements. In fact, the California government has clarified that "the fact that a product bears a Proposition 65 warning does not mean by itself that the product is unsafe." The government has also explained that "You could think of Proposition 65 more as a 'right to know' law than a pure product safety law." While we believe our products are not harmful when used as designed, we provide the warning when necessary in order to comply with this California law.

A Proposition 65 warning displayed on an item generally means one of two things: (1) the business has evaluated the exposure and has concluded that it exceeds the "no significant risk level"; or (2) the business has chosen to provide a warning simply based on its knowledge about the presence of a listed chemical without attempting to evaluate the exposure. **Rothco has chosen to provide a warning based on its knowledge about the presence of one or more listed chemicals without attempting to evaluate the level of exposure, as not all of the listed chemicals provide exposure limit requirements.** With our products, the exposure may be negligible or well within the "no significant risk" range. However, out of an abundance of caution, we have elected to provide the Proposition 65 warnings on applicable products when they are being sold into California.

The penalties for not complying with Proposition 65 are high. As a result of the potential penalties and because there is no penalty for providing an unnecessary warning, Rothco, as well as many other manufacturers, has elected to provide the Proposition 65 notice out of an abundance of caution in order to avoid the potential for liability.

Why are we telling you this?

Because we care about our Rothco partners and value our relationship. This California Prop 65 matter has caused us to change the normal way we do business to avoid sizable fines and fees. This decision has come because we have had the costly experience of being caught up in the Prop 65 net. We find ourselves having to protect our organization and/or limit our exposure from liability by bringing this situation to the attention of all of our U.S customers and ensuring that are made aware of how to sell in and ship into California in compliance with the Proposition 65 regulations.

At least \$12,000 of the net proceeds of all items from the **Thin Blue/Thin Red/Thin Green** Line Gear during sold between October 1, 2017 and October 1, 2018 will be donated to the New York Police and Fire Widows' & Children's Benefit Fund. The Benefit Fund is dedicated to providing assistance to the families of New York City First Responders killed in the line of duty.

Look for the ^ symbol in the catalog for applicable items.
